PalisadeConcepts@gmail.com**

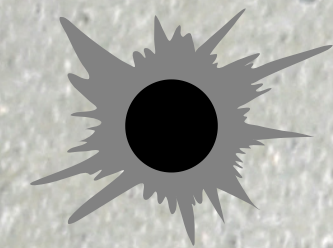

Audience: Members and guests only

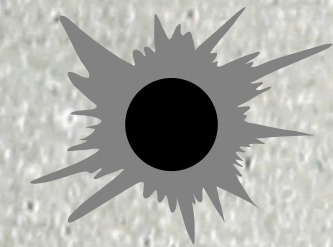

Workshop Description:

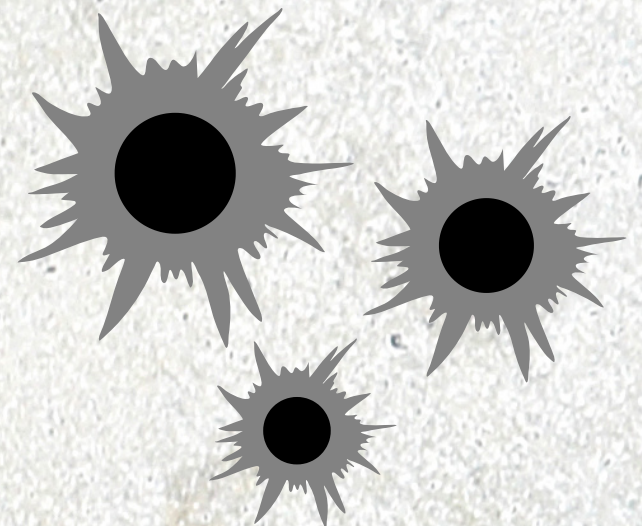

Equip yourself with skills, safety and comprehensive handgun training in this day long workshop for H&S members and their guest.

Gain the confidence to be responsible and secure in a low stress and comfortable atmosphere.

Limit first 10 students.

Equipment Required:

Quality semiautomatic handgun with a minimum of three magazines.

Quality, strong side, outside the waistband holster for the specified handgun.

(We will have on-going classes for concealed carry and concealed appendix carry so fear not, just not this one)

(Also we are getting ahead of the question; absolutely no Serpa or Serpa style holsters will be allowed.

Email. Message, or call us for explanation or questions)

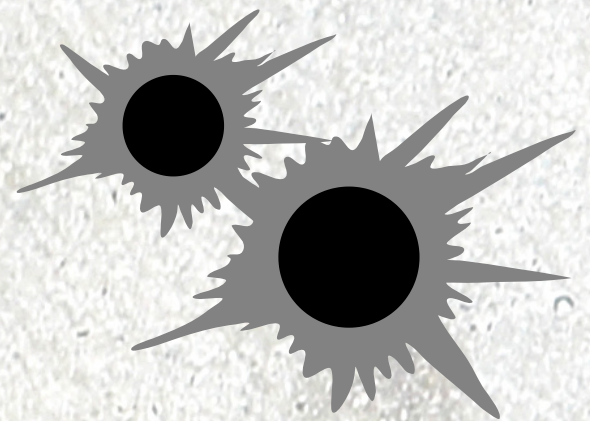

200 rounds of quality, known manufacture ammunition (no handloads or reloaded ammo)

Eye protection and electronic hearing protection.

Long sleeve and collared shirts are recommended.

Sunscreen

Mosquito spray

**More instructions and recommendations
upon registration.**
